BETTER TOGETHER

A message from the President

If you are new to our club, you may not know that our fellow LA5 Rotarian Paul Netzel has served in nearly every position in Rotary. He is an influential figure in Rotary International, most recently serving as the Chair of the Rotary Foundation. Of the many poignant themes that Paul shared during his inspirational message to our club last Friday, the theme of peace through service inspired me most.

What I have found so amazing about Rotary is how Rotarians come in all sizes, shapes, ages, races, lifestyles, differences of philosophy, religion, language, customs, and political orientation. But even with all of these differences Rotary has created an amazing global organization of individuals committed to basic core values of friendship, goodwill and volunteer service, all of which contribute mightily to peace and a better understanding in the world. Rotary empowers all Rotarians to unite so that we can accomplish goals far greater than what any of us could achieve on our own.

—**Paul Netzel**, Past President, LA5; Chair, The Rotary Foundation, 2017-18

Paul, thank you for your vision that calls us to look beyond ourselves and our own moment, to consider how much good can be done for the cause of peace if we come to the table, not in spite of our differences, but because of them. May this inspirational message guide us forward. I hope to see you this Friday at Scholarship Day.
